SHOT THROUGH WINDOW.

Heartbroken over the alleged desertion of his wife on Monday last and suspicious that the man whom he claims broke up his home made a desperate endeavor to kill him early Tuesday morning in the kitchen of his home, William Basil, of Baltimore, will shake the dust from his feet for Suffolk, Va. The first report of what Basil alleges was a murderous attack upon him was given to the authorities of the Northern Police Station late Tuesday night.

Basil stated that while he was walking in the kitchen of his home early Tuesday morning someone fired at him through the open window, one of the bullets lodging in his right hand and inflicting a slight wound, the other bullet going astray. When asked if he could identify the assailant, Basil replied that he could not, but had good reason to believe that a man whom he accuses of running off with his wife on Monday morning was the one who made the attack.

SAVES NEARLY \$5,000.

Some interesting figures are shown in the annual report of work done at the Western State Hospital for the Insane at Staunton, Va., which has just been submitted to the board of directors by the superintendent, Dr. J. S. de Jarnette.

The expenses have been reduced \$4 per capita, or a total of nearly \$5,000. There are 1,129 patients at the hospital. The wages of the 150 attendants have been raised \$4,000 during the past year.

A ward for tuberculosis patients has just been completed, and an infirmary is soon to be erected.

The hospital owns a large farm of 480 acres, which the patients work the year round. On the farm are 120 hogs, 50 cows, 1,000 chickens, 3,000 fruit trees and 700 grape vines, besides corn, wheat and rye in great abundance.

You take Kodol just for a little while when you have slight attacks of indigestion, and you take it just a little longer in order to get relief from severe attacks of indigestion or Nervous Dyspepsia. Try Kodol today. Sold by W. F. Creighton & Co.

GREAT FLOUR MILLS TO BE BUILT.

The Washburn-Crosby Company will build a new flour mill of 6,000 barrels daily capacity, at a cost of \$500,000 at Buffalo, N. Y. Work will begin immediately. W. H. Bovey, of Minneapolis, will have charge of construction, and the mill, which should be ready to operate by next July, will be managed by F. F. Henry.

The Washburn-Crosby Company, with its present mills, will then have 12,000 barrels capacity at Buffalo. The company only recently completed a new mill for Gold Medal Flour in Minneapolis, and a fireproof grain elevator of 600,000 capacity. With its large Minneapolis output, the Buffalo enlargement, and its mills at Louisville, Ky., and Great Falls and Kalspell, Mont., the company's daily capacity will exceed 40,000 barrels—far the greatest in the world.

Decision to build the new plant was reached at the annual meeting recently. The old officers were re-elected: James S. Bell, president; William H. Dunwoody and John Washburn, vice-presidents; C. J. Martin, secretary and treasurer.

John Washburn said after the meeting: "The flour business is good. We find increasing demand for our product and need the larger capacity to meet it. Only recently we increased our Minneapolis capacity and added greatly to our grain storage facilities there. Demand keeps on coming up to us. The business is profitable and we find it necessary to keep adding to our plants from time to time."

Lame Back.

This ailment is usually caused by rheumatism of the muscles of the small of the back, and is quickly cured by applying Chamberlain's Liniment two or three times a day and massaging the parts at each application. For sale by W. F. Creighton & Co. and Richard Gibson.

CARDINAL GIBBONS.

Cardinal Gibbons arrived in New York yesterday from abroad on the Cunard liner Osiris, and is a guest at the home of Mr. Benjamin A. Kelly, of Brooklyn, until Saturday, when he will return to Baltimore.

A royal welcome awaits him in his home city, plans for his reception and the parade having been completed.

It is reported that soon after his return the cardinal will announce that Bishop Denis J. O'Connell, of Washington, will be coadjutor of the archdiocese of Baltimore and that very Rev. O. B. Corrigan will be made auxiliary bishop.
